

Using Quia

Quia is an online tool that allows teachers to create quizzes, review activities, and surveys.

Getting Started

Teachers can assign their classes a quiz or activity.
Visit <http://www.quia.com/web> to log in to your account.

The screenshot shows the Quia login page. At the top left is the Quia logo with the text "Create your own...". Below it, the heading "Welcome to Quia" is displayed. There are two input fields: "Username" and "Password". To the right of the "Password" field is a "Log in" button. Below the input fields are four links: "Forgot username?", "Forgot password?", "Can't log in?", and "Create account".

QUIA LOG IN

User Name: fullfirstnamefulllastname627
Example: josephsmith627

Password: changeme (initially)

The first time you log in your password will be **changeme**.
You will need to change your password to something that is secure (but that you will remember).
Any teacher who has added you to a class, will have access to your password information.

My classes

Click on a class name to view your results.
